LOMA LARGA
Malbec
2008

92^{pts}
YEAR'S BEST

"This may be the only far-coast Malbec in South America - and one of the few in the world. It shows the chill of the Pacific in refreshing red fruit and spice, its acidity as brilliant as a tart, fresh-picked cherry. Even so, the texture is soft, the tannins creamy. A Malbec to accompany tuna off the grill."
